

# JEFFREY R. GUND - BIO

---

Jeffrey R. Gund is a multi-faceted and accomplished member of the entertainment community.

Gund started his career in the music industry, and entered with a bang when the theatrical trailer for **Dances With Wolves** earned a CLIO AWARD for **Best Music in a Theatrical Trailer**, on which Jeffrey did music production and arranging. Gund was also involved in producing music for numerous other trailers for other top films such as **Silence of the Lambs**, **Young Guns**, **Back to the Future 3**, **Playing God**, and **Even Cowgirls Get the Blues**. His music can currently be heard on the long running mega-hit television show **Entertainment Tonight** and has been featured on other top television shows such as A&E's long running hit **Biography**, as well as numerous shows for **The Discovery Channel** and **The Learning Channel**. His work in television earned him full voting membership in the **Academy of Television Arts and Sciences** (The Emmy Awards).

Gund has also composed the music score for award winning feature films such as **Postmark Paradise**; the hit film **Rave**, starring Aimee Graham (Brokedown Palace), Efen Ramirez (Napoleon Dynamite), Nichole Tom (Beethoven, The Nanny), and Steven Bauer (Scarface), as well as music for a number of other films such as **Angel's Dance**, starring Jim Belushi, and **The Man in the Iron Mask**, starring Timothy Bottoms and Edward Albert.

After honing his sound design skills working on top films such as Paramount's **Virtuosity** (Denzel Washington, Russell Crowe) and television shows such as Fox's **VR-5**, Gund then went on to become the Supervising Sound Designer at top game company 7<sup>TH</sup> LEVEL, where his work on the video game for the cult classic film **Monty Python and the Quest for the Holy Grail** earned the prestigious CODIE AWARD for **Best Use of Music and Sound in Multimedia**. Gund went on to do music and sound design for other top selling games such as Disney's **The Lion King**, **Tarzan**, and **The Hunchback of Notre Dame**, and other top edutainment titles such as the **Math Blaster** and **Reader Rabbit** series.

As if top credits for music in film, television, and video games weren't enough, Gund then produced and arranged songs for **Grammy** nominated recording artist **CCH Pounder**. Expanding his efforts into the area of event promotion, Jeffrey regularly produces high profile events around Hollywood, including ongoing musical performances of bands led by top celebrities such as **Dennis Quaid**, **Jeff Goldblum**, **David Carradine**, **Kevin Bacon**, and **Juliette Lewis**, who perform to standing room only crowds at Hollywood's hottest venues.

All these relationships, experiences, and successes have led Gund to giving back to the industry, and have helped the **INFOLIST** grow from a small personal email list to the website which has become a premiere entertainment industry resource, providing jobs and opportunities for over 50,000 industry professionals and up and comers. As the founder and publisher, Gund provides opportunities to many people within the industry on a daily basis, and his reputation for not only being "connected," but using those connections to help others, is spreading through every level of the entertainment industry. His content partners and providers for job, casting, and event information include virtually all the major studios from **Paramount** to **Sony**, **WB**, and **Fox**; all the major TV networks such as **ABC**, **NBC**, **MTV**, **VH1**, **A+E**, **Discovery**, and **Food Network**; major guilds such as the **Producers Guild**, **SAG** and **WGA**; and top television production companies who produce shows such as **True Blood**, **The Voice**, **X-Factor**, **Survivor**, **American Idol**, **The Apprentice**, **Extreme Makeover**, **America's Got Talent**, **America's Next Top Model**, **Real Housewives**, **So You Think You Can Dance**, **MasterChef** (and literally hundreds of other top shows); as well as top agencies, and other organizations. Numerous commercials for iconic companies such as **Apple**, **Google**, **Intel**, **McDonalds**, **Amazon**, **Sprint**, **Playstation**, **Disney**, **Ford**, **Mitsubishi**, and many others have cast through INFOLIST. Additionally, INFOLIST regularly hosts large industry events with attendance of over 1,000 professionals, with high level co-hosts who range from top celebrities to A-List blockbuster producers, writers, and creators.

Gund's success and credibility within the entertainment industry led him to develop top level relationships throughout the industry, where he is currently working on producing films, television shows, and other projects with blockbuster producers and other top execs and talent that have won numerous Oscars, Golden Globes, and other awards, as well as entertainment technology startups and companies.
