My name is Flavio Garozzo alias Andrew Fly and I am an Awarded Italian Film Composer,

I was born on 6th February 1983 in Catania (Italy), I was a child who was always creative and took a keen interest in music which turned into my passion and. I love to work in my recording studio creating fresh, new and creative projects.

I've always used synths and virtual instruments but my target is to create a high quality sound for my clients dedicating time and creativity.

I have studied at SAE (School of Audio Engineering) in Milan and

I worked as film composer and sound engineer for various indie-movies shot in Italy, Nepal and The United States and Australia working with different companies, producers and film directors such as:

Liam Rooke (Actor and Producer), Jason Bogdaneris, Kristina Leath-Malin (Director), Michael Justin Lee (Director and Producer) Simon Hare (Director), Ola Salo, Anup Poudel (Director), Dimi Nakov (Director), Jenna Constantine (Director), Giacomo Maimone (Director) Fabrizio Famà (Offline Video Editor), NFGDOCS (Company), 095mm (Company), Moving Eye Productions (Company).

Since 2012 I am living in Mexico City and I am working online with different directors. My dream is to live in United States and to work for the big movie industry.
