## WORK EXPERIENCE

### Creative Producer / Editor

323 Productions

06/2012 – Present

Founded a boutique creative studio specializing in producing digital content and films for brands such as Netflix, Google, and the Steelers

Achievements/Tasks

- Nominated for two Emmy Awards for projects in 2019
- Won three Telly Awards as an Adobe Premiere editor
- 20% annual sales growth average between 2012 and 2018. Invoiced clients for \$1M+ in 2017

### Production/Purchasing Assistant

Netflix "Mindhunter" S1 & S2

02/2016 – 02/2019

Achievements/Tasks

- Coordinated the purchase and delivery of all camera equipment used (lenses, media, misc rentals)
- Dispersed weekly payments to vendors and production crew

### Motion Graphics Designer / Camera Operator

University of Pittsburgh Athletics

08/2010 – 05/2014

Pittsburgh, PA

Conceptualized and designed motion graphic elements for all Pittsburgh Panthers teams, including basketball, football, volleyball, and baseball

Achievements/Tasks

- Elevated production value of live game broadcasts and team visual identities by creating and deploying new GFX packages
- Selected twice to design the official Oakland Zoo logo to be mass printed on basketball team merchandise

### Video Editor / Motion Designer

Pittsburgh Steelers

05/2012 – 08/2012

Pittsburgh, PA

4-month contract hire for the Steelers' 80th season anniversary

Achievements/Tasks

- Selected through a RFP process bidding against powerhouse production companies like NFL Films
- Delivered a collection of new show logos, complete TV broadcast packages, and scoreboard elements for Heinz Field
- Continued freelancing for the Steelers after the initial project scope was completed, based upon team's satisfaction
