PERSONAL PROFILE

I attend a Performing Arts High School for Musical Theater.

I sing, dance, and act. Acting is something I am very passionate about and have fallen in love with the art. I have done many projects in Theater and am hoping to start my TV career. My plans are to start with commercials and to move on to film.

Acting is what I want to do, not only is it something I love, but it gives me a chance to tell someone's story and to escape from the real world.
