----- **WORK EXPERIENCE** -----

**LEAD EDITOR**

*Brave New Films*

Edited documentary films and series. Responsible for deliverables. Supervised the post department.

**EDITOR**

*AwesomenessTV*

Edited various reality and docuseries shows for multiple seasons. Helped develop new shows.

**EDITOR**

*Electus*

Edited sizzle reels, promos, interstitials, and interviews in-house for the postproduction dept. Also, edited various TV shows there as well.

**EDITOR**

*Parking Lot Productions*

Edited a number of the comedy and reality programs produced by the production company. Also cut promos for programs for television and the web.

**EDITOR**

*Bonch TV*

Edited and assisted on various music video and commercial projects. Including on-set post-production coordinating and editing.

**EDITOR**

*Echo Entertainment*

Edited various cable television programs produced by the production company for Veria TV. Also responsible for outlining and story editing as well as second unit directing and field producing segments for various shows the company produced.

**PRODUCTION MANAGER/PREDITOR**

*Zoom Culture*

Duties primarily were editing, shooting, and field producing segments for their television and web, including branded projects like Yahoo! & Purina, etc.

**PRODUCER/EDITOR**

*Spectrum Films*

Responsible for handling all of the production and editing for three film labels, Spectrum Films, Dead Alive Productions and Burning Moon Home Video. Edited feature films, documentaries, trailers and made all of the promotional spots for their films being released.

----- **EDUCATION** -----

**School of Visual Arts**

*New York, NY*

Film and Video Production

**Scottsdale College Film Program**

*Scottsdale, AZ*

Film and Video Production

----- **MISSION STATEMENT** -----

I have many years of experience working as a staff editor for various production companies as well as freelance. Proficient in AVID, Adobe Creative Cloud and FCP. I consider myself a creative editor that can work in many different environments. I'm a great multi-tasker and can work well with a team or alone. Also have plenty of on-set production experience in directing, camera operating, sound and coordinating.
