**Producer | Writer | Casting | Digital**

Phone: 310-339-6564  
Email: jasonpaulpreston@gmail.com  
Website: www.jasonpaulpreston.com

I am a storyteller. In my career, I have worked in many facets of the entertainment industry, learning all aspects of production. With experience in scripted and non-scripted, I offer a unique skill set as a producer with the ability to produce hybrid shows (scripted with reality elements). As a WGA writer, I know how to breakdown a script and deliver a product that mirrors the artistic vision. Selected credits below.
