WORK EXPERIENCE

NBC News – New York, NY

March 2020 – January 2021

Host | Anchor

- Host of the "Morning Report by NBC News", on Quibi
- Conducted interviews with experts and show guests, via Skype/Zoom
- Collaborated daily with producers and writers to deliver the digital news show, which consistently ranked in the "Top Ten" for most streams
- Fill-in Anchor; "Early Today"

CBS News / WBZ-TV – Boston, MA

May 2018 – March 2020

Reporter | Fill-in Anchor

- Gathered elements, wrote and delivered breaking news reports, live on-location for "WBZ This Morning" and the 24-hour digital streaming network "CBSN Boston"
- Fill-in Anchor

Nexstar Broadcasting / KTVE News – West Monroe, LA

April 2016 – April 2018

Anchor | Producer | Reporter

- Anchored, and produced, a three-hour weekday morning broadcast, which included news and live interviews
- Implemented and produced a daily "What's Trending Now" segment which highlighted entertainment and pop-culture news, as well as viral stories from around the web

ABC News / KABC-TV - Los Angeles, CA

February 2015 - September 2015

Entertainment Intern

- Field Producer for the KABC Entertainment Unit and the station's "On The Red Carpet" Academy Awards coverage
- Conducted on-air celebrity interviews during an array of entertainment industry events; ABC's "Dancing With The Stars", PaleyFest and various film premieres and junkets

US Weekly Magazine - Los Angeles, CA

January 2015 - April 2015

Editorial Intern

- Conducted field reporting and interviews at entertainment industry events and contributed to coverage during "Grammys Week"
- Researched via the internet and social media to find newsworthy entertainment items and story ideas for the weekly publication

CNN - Los Angeles, CA

September 2014 - January 2015

Entertainment Unit Intern

- Wrote entertainment news scripts and edited the accompanying video footage for distribution to CNN's "Showbiz Now" affiliates
- Assisted CNN producers during various entertainment shoots; award shows, film premieres and press junkets
