

Writer volkan (walkee) durakcay was born in Turkey in 1970.

As a child of a family that had been soldiers for a thousand years, he received a very good education. He trained in glider schools, skydiving, underwater diving, shooting training, Mystical and paranormal trainings,(such as cabbalah, I-Ching, Tarot, magical power development,esc) and half a dozen martial arts.

He served as a sniper in the Turkish Army. After the advice of two American relatives ,he decided that the peace much better thing and leave all of these and become a writer. He wrote his first book, "The Devil's getting married,"

The author has studied and graduated from two different universities in Environmental Sciences and religious beliefs and studied Chinese and Arabic language for many years.

His second script is "Hitler's Magician" He think that it would be a good enters to America and He turned his first book into a script By the help of his American relatives and friends, the writer Walkee can speak fluently English. Now he is working on his third script "Sniper Eagle"
