## Summary

As the Founder and Chief Creative Officer at AJE Media, I spearhead a team focused on innovative digital marketing and content creation. Before founding the company, I was a freelance filmmaker, creating successful branded content, commercials, and corporate videos for a wide range of clients, from small businesses to Fortune 500 companies.

My passion lies in crafting compelling brand stories and leveraging various channels like social media, content creation, and public relations to boost brand awareness and engagement. This expertise enables me to consistently deliver impactful results for organizations.
