## WRITER

### SOUR COCONUT

Drama short script

A girl rediscovers the meaning of love through her ex, who becomes her best friend, while he clings to not let her go.

Roxane is going through a rough patch and Mac, as always, has been there for her; Struggling between the different types of love they have for each other, they know that somehow they need each other.

WINNER

### MABEL

Horror short script

'A horrified teenage girl is cornered in a forgotten place, and discovers something evil inside her'

Mabel is a teenage girl chased by her boyfriend, after he and his family tried to sacrifice her at a party in a pre-hispanic ritual to maintain their wealth, having a great agave harvest for their Tequila House.

NDS

### DRIP, DROP

Horror short script

'A messed up millennial wants to save a little girl across the street, without being the victim of his own building'.

Luis is working late when he sees this little girl across the street on the rain, attacked by an old lady; he runs like hell until his building decides to stop him, before he get the stairs.

### SKIN - R

Sci-fi Pilot Script

A superhero with a skin disease has to protect his neighborhood from his dead mentor's love life.
