SCREENWRITING EXPERIENCE

Wedding Run Feature Screenplay

Comedy, Drama, Thriller

Received 'Recommend' ratings

Details

- Crafted a high-concept comedy that explores love, friendship, and cultural identity through the chaotic journey of a group of misfits attempting to rescue a young woman from an arranged marriage. The screenplay blends humor and heart while examining themes of loyalty, societal expectations amidst absurd circumstances.

Color Feature Screenplay

Drama, Family, Mystery

Received 'Recommend' ratings

Details

- Developed a thought-provoking drama that delves into themes of grief, race, and faith through the lens of a diverse community coping with past trauma. Emphasized emotional depth and social impact to create a compelling narrative that explores the intersections of mental health and human nature.

Caught by the Roots Feature Screenplay

*Contained Survival Thriller,
Drama, Action*

Received 'Recommend' ratings

Details

- Crafted a contained survival thriller set against the rugged terrain of the Pacific Northwest, exploring themes of redemption, fatherhood, and survival. Combined intense physical stakes with emotionally charged character dynamics, highlighting the psychological toll of trauma and the struggle to reconnect with family.
